

United States Department of Agriculture

Research, Education, and Economics
Agricultural Research Service

The United States Department of Agriculture, Agricultural Research Service, National Agricultural Library (NAL) requests your permission to publish in all formats the material(s) indicated below at the i5K Workspace@NAL website. The target audience for the website are students, educators, researchers, and members of the general public. The main website is available without access restrictions at <https://i5k.nal.usda.gov>, and includes resources housed on multiple servers.

As with all Federal Government-issued content, the i5k Workspace@NAL is not copyrightable. Copyrighted material on the website will be acknowledged and accompanied by proper copyright notices. Please note that no licensing fees or royalties will be paid. To grant permission to publish the above-referenced material(s), please sign below and mail, e-mail, or fax the signed form to my attention.

Sincerely,

Christopher Childers
Information Technology Specialist

I hereby grant permission to the United States Department of Agriculture to publish the material(s) specified below in the i5K Workspace@NAL. By signing below, I represent myself as the sole owner of all rights in and to the photograph(s)/illustrations and that the photographs are original and do not infringe upon any statutory copyright or any common law right or proprietary right of any individual or organization. There is no fee for this use.
